BS in Industrial Design, Class of 2010, 3.46 GPA

### Awards:

Dean's List, Fall '07, Spring '08, Fall '08, Spring '09  
Eagle Scout, Boy Scouts of America, 2006

### Experience:

**User Experience Designer, Rackspace Email & Apps; Blacksburg, VA** – March 2009 - Present  
I design and mock up new features for the Rackspace Email web application, the Administration Control Panel and other related tools. Work with the different product teams to implement the new designs, brainstorm new features and conduct usability tests.

**Web Developer, Blacksburg Electronic Village; Blacksburg, VA** – May 2007 – Feb 2009  
I led a small design team (2-5) that implements web sites from start to finish including client meetings, sitemaps, design mockups, implementation and maintenance.

**Web Designer, Fallout Multimedia; Richmond, VA** – 2002-Present

This is a company my brother and I started to gain experience in web development and graphic design. We started small with local websites for small businesses, but grew to have several larger clients. Our greatest skill was splitting up the designing (done by myself) and coding between the two of us, which allowed us to complete projects much faster than a larger company.

### Advanced Skills:

Prototyping Interfaces with Javascript, Conducting Usability Testing with cameras, mouse-tracking and human observation, Paper-Prototyping

### General Skills:

Windows, Mac OS X, Linux, Adobe Creative Suite 3, Solidworks, AutoCAD, XHTML, CSS, PHP, Javascript/jQuery, Drupal

### Professional Organizations:

Member, Industrial Designers Society of America (ISDA)  
Attended IDSA Southern District Conference, New Orleans, LA 2009  
Member, Interaction Design Association (IxDA)
